

Treasure Hunt 6

The biggest bed in the home is where you should go,
Clue 2 is neatly hiding under the pillow.

Now go to your bed and get down on one knee,
Hiding beneath is clue number 3!

Back to the kitchen, can you see a mop?
Clue number 4 is taped to the top.

On the tabletop, can you see your cup?
Clue number 5 is underneath, if you pick it up.

Now look for a pile of clothes, very neat,
Hiding inside is your special treat!

Well done my dear! You deserve it!
