

Treasure Hunt 4

Coat and shoes on, we're going outside!
And close to a step is where clue 2 will hide.

Can you see a gate or an outside door?
Clue number 3 will be close to the floor.

I spy a tree – either real or fake –
Clue number 4 is behind it, fastened with tape.

Who left that pot standing upside down?
The next clue is under it, on the ground.

Here's where the postman posts the mail...
Your special treat is in there – it's the end of the trail!

Enjoy your treat and well done!
