

Treasure Hunt 1

Look under the place where you sit to watch TV,
There's the next clue for you to see.

Now go to the place where you clean your teeth,
The next clue should be hiding underneath.

Your clothes usually get washed inside this place,
Check for clue 4 inside the space.

Now go and search round Mummy's bed,
And be sure to check where she rests her head!

And last of all - inside your school shoe,
Look in the wrap - there's a treat for you!

Well done my dear! You deserve it!
