

Treasure Hunt 11

Look by the outside door, who left the shoe?
A quick look inside will find clue number 2.

Where we sit at a table, some chairs you will see
And taped beneath one is clue number 3!

Look beneath the sofa and there on the floor,
You will soon see clue number 4.

Into the kitchen where coffee is spied,
Clue number 5 is hiding inside.

Just one clue to find in a book in your bed,
Close to the pillow where you rest your head.

You are so clever! Well done!
