

## Treasure Hunt 7

Look in the lounge – there's something new,  
And hiding inside is clue number 2!

What shuts over the window when it is dark out  
there? Clue number 3 is behind it, hiding somewhere.

Now to the mat by the front door,  
Tucked underneath is clue number 4.

Now look for a boot and tucked inside,  
Clue number 5 will safely hide.

Where do you snuggle to watch TV?  
Under a cushion your treat will be!

Well done my dear! You deserve it!
