

Treasure Hunt 2

So off you go on Treasure Hunt 2,
Look in your coat pocket for the next clue!

Clue number 3 is inside a cup
By the sink where plates usually get washed up!

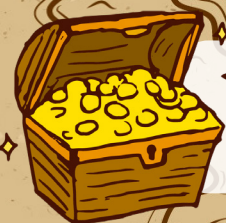

Now go and look by the outside door,
Somewhere you will see clue number 4!

Clue number 5 is under your favourite toy,
The one that's given you lots of joy!

It's back to the kitchen – where's the broom?
Your special treat is in that bit of the room.

Well done my dear! You deserve it!
