

## Treasure Hunt 5

Clue number 2 is in a drawer,  
In the kitchen near the floor.

Look for where someone has hung your coat,  
Clue 3 is under something that goes around your throat.

There is a mat, close to a door,  
Look underneath for clue number 4.

Where is the bread kept, do you know?  
Clue number 5 is just below.

Now go and seek under every chair,  
Your special treat will be hiding somewhere!

Well done again my dear! You deserve it!
