

## Treasure Hunt 8

Is someone knocking? Better look outside!  
Is taped to the door knob a good place to hide?

Where do the coats hang? Yours, can you see?  
In one of the pockets hides clue number 3.

Now where is the brush for sweeping the floor?  
Hiding beneath is clue number 4.

Clue number 5 must be feeling so cold,  
He's shivering with the milk, so I have been told.

Quick - run to your toys and under the pile,  
Is hiding a treat to make you smile!

Well done my dear! You deserve it!
