

## Treasure Hunt 10

Who moved the vase where we show the flowers?  
Look underneath, clue number 2 will be ours.

Look close to the soap and there you will see,  
Hiding behind is clue number 3.

Now look in the bathroom for a towel on the floor,  
Hiding beneath is clue number 4.

Do we have a step that you go up and down?  
Tucked to one side clue 5 will be found.

Where are the photos - you can see  
You'll find your treat behind one of me!

*You are so clever! Well done!*
