

# SUAVE WORD DITTY

## Morose

Wet weekends always make me **morose**, I'd rather be running outside...  
Playing soccer with mates, swinging on gates, or looking for  
somewhere to hide.

Liver for dinner makes me **morose**, I can't stand the taste of it...  
I push it round my dish, hide it under the mash, and bury all the bits.

Family games make me **morose**, I'd rather be watching TV...  
I love sport and mysteries, and horrible histories, but Monopoly does  
nothing for me!
