

SUAVE WORD DITTY

Vary

Things **vary** – they're different, nothing's the same.
The weather always **varies**, sun, wind, snow and rain.

Our lessons **vary**, the past and the now,
Sport, sums and writing fill the days somehow.

And holidays **vary**, we walk and we play,
We visit and explore and enjoy every new day.
So three cheers for **variety**, it makes living fun.

Vary your days,
And enjoy every one!
