

# SUAVE WORD DITTY

## Yearn

To **yearn** is to want something so very much,  
It almost gives you a pain.  
I **yearn** for the sun and to play in the sea,  
But the flowers **yearn** for the rain.  
You **yearn** to go to the funfair again,  
I see it in your face.  
But that's OK because we all **yearn**,  
To return to our favourite place.
