

# SUAVE WORD DITTY

## Rapid

My answer was **rapid** when you said shut up,  
‘I’ve too much to say,’ I said.  
‘You’re spoiling my lesson,’ you said to me,  
And I replied by shaking my head.  
In a **rapid** rattle I said that I,  
Knew everything he knew.  
And that’s why – Mr Headteacher –  
**Rapidly**, he sent me along to you!
