

SUAVE WORD DITTY

Nimble

He jumped **nimbly** down the step,
He **nimbly** leapt the wall,
He **nimbly** dodged the speeding cars,
He showed no care at all.
Nimbly, he swung over the gate,
Nimbly, he crossed the park,
Nimbly, he dodged behind a tree
When he heard the big dog bark.
A **nimble** jump and he crossed the stream,
And up the bank with a **nimble** hop,
And onto the road a mile from his home,
All just to get to the sweetie shop!
