

SUAVE WORD DITTY

Boast

Please don't **boast** you won the most –

You know I won more than you.

To **boast** you got the most sums right –

Is simply just not true!

And never **boast** you're a better singer than me –

When you sound like an angry hen.

You brag and swank and crow and clap –

And then you **boast** all over again.
