

# SUAVE WORD DITTY

## Hoard

I have a **hoard** of hilarious books  
You have a **hoard** of CDs,  
Mum loves to **hoard** cooking magazines –  
They look silly and boring to me.  
My dad **hoards** old movies  
To watch again and again,  
My brother **hoards** trainers under his bed...  
My sister **hoards** make up and stuff,  
But I like to snuggle with a good book  
And eat smarties 'til I've had enough.
