

SUAVE WORD DITTY

Wail

You can **wail** but you'll get no cake,
And you'll get no sweets from me.
And if your **wailing** doesn't stop,
You'll get no pop,
And no jelly for your tea.
So do not **wail** and cry out loud,
These treats are not for you...
I'm eating the sweets and all the cake,
And I'm having the jelly too!
